Dear Sir or Madam:

We recently launched our website and secure portal with Medfusion. We have been very pleased with the ability to be in control of the content of our website. Through Medfusion's Site Generator, we are able to update and make changes to the content of our website very easily!

Our patients are able to Request Appointments, Pre-Register, Request Prescription Renewals, complete a Virtual Office Visit, Symptom Assessment, and Ask-A-Doctor as well as make an Online Bill Payment. Our patients have caught on quickly and are thrilled to be able to fill out registration forms at home. This not only saves them time, but us as well.

We have been very pleased with our experience with Medfusion and would gladly recommend their services. Feel free to visit our website at www.drlawrencemckinney.com/

Sincerely,

N. Christopher Lawrence, MD
